A For this situation, we would always recommend possibly get. ting a small furniture piece with closed storage, oven from Ikea. We always so fun and cute to sot up a "parking garage" for larger whiches inside a cabinet as well.

Q What's the best way to organize a new house when you have a lot of stuff? A Rdit first. Make sure every thing you are bringing into a new house is what you want.

Q I'm looking for a dever and convenient way to organize my jeweiry. Any suggestions? neckbaces or rings. They can be a begettful counter display.

Q I have a completely open kitchen and small pantry to stors all food, dry goods, sauces, coffee, etc. It is impractical to keep beautiful quantities of the same litem due to the lack. of space. Do you have suggestions for making foods that are different sizes and colours look good together? I am having a baby in a month, so any tips that are sustainable and easy are greatly appreciated. A Use the same type of bin to store the food and it will look beautiful despite the food not. being the same.

Q How do you oncourage your kids, partners and helpers to keep up the systems and organization? A We truly believe that if there

is a system in place with labels, it is easier for other family members to know exactly where to put items back. Keep the system simple with general categories.

Q I am a single mom of two girls living in a New York City apartment. My daughters are four years and three months. Now do I preserve hand-me-

When it comes to books, keep the ones you love and out them on display but get rid of the rest. our resummary and any remaining the rest.

Q My husband and I are in a for Mideto two-bedroom condo, and we've are what they fallen in love with Lego buildned. If your ing sets. We have a neighbourorganizational hood block of Logo buildings on our dining room table; he has evolution in sizepie yaar liide wil schuly multiple spaceships at work, and I have some major archi-UN . 00 00tectural models in my office. LES NULL/THE How do we display these? I've WALKS STOR got artwork on most of my SOFT walls at home, so there's not a lot of space for lisens with

a 12-by-12-inch footprint. A floating or narrow leaning sholf would be best. We also low using small acrylic risers to

Q I have a small but not cramped house with a nice attic storage space, which I just cleaned out. How should I best Inventory and store things so I can rotate them in and out of use, either as decor or for their function (like glassware)? Rather than make hard choices, I'd like to swap things out every now and then to keep things fresh and in use. A Use clear birs to store items and create labels.

display smaller Logo models.

Q How many books should you keep? If they are in boxes In the afflic, should you get rid of them?

A Open the bonne. Really and what's inside and do an edit to keep what you love. Display them, use them and get rid of the reat.

What's the most complicated item to organize? A fields --- you have to sort by colour, type and size, and everything is the size of quince. The Wonington Past
